

SUSTAIN-EU-ASEAN

Sustain and enhance cooperation on sustainable development between Europe and South-East Asia

CLUSTER MEETING: ORGANIC AND NON-ORGANIC RESOURCES & CLIMATE ACTION AND CITIES

Location: CAPSA, Jalan Merdeka 145, Bogor 16111, Indonesia

Date: 19 August 2014

Purpose of the meeting/Goals:

- Meet and get to know fellow projects working on similar topics of relevance to ASEAN
- Discuss results and synergies, exchange on methodologies, plan for joint events, applications, publications, etc. or simply see what's going on in the other region in this topic.
- Plan concrete next joint steps with projects in the cluster.
- Benefit from SUSTAIN EU-ASEAN support (e.g. in your dissemination, exploitation and development activities) and inputs (on the funding environment)
- Share your views on thematic gaps in current research - SUSTAIN is mandated to carry the message to the European Commission
